

# Organizations: Help us Promote Teens Dream:

## A Global Video Contest and Virtual Rooms for Action On the United Nations Sustainable Development Goals

~ See our [video](#) here ~

Help us engage teens ages 13-18 globally to learn about the [Sustainable Development Goals](#)

Learn what teachers have said about the contest in our blog [here](#)

Teens can enter the [video contest](#) to win up to \$500 and a possible trip to Washington D.C.  
Teens are celebrated at an award ceremony and matched with mentors to pursue their dream  
Teens create a simple two-minute video focused on one of the Sustainable Development Goals  
and the actions they are taking to address that goal  
They have from Oct 6, 2018 to Jan 13, 2019 to submit.

In addition to the video competition, teens are invited to either lead or join virtual rooms called  
“Dream Hubs” where teens work on action around their goals with other teens across the world,  
supported by adult mentors -- see [here](#)

See [www.teensdreamcolab.org](http://www.teensdreamcolab.org) for winners, submitters, celebration, mentors, and more!
